Welcome to the 2020 Topsham Fair

I am excited to start planning for our 2020 fair. I wanted to introduce myself! As many of you are used to working with Marie each year, she has stepped down to spend more time riding and being with her grandchildren. Rest assured she is here to help me and you will see her around the fair. She may have stepped down but she is still here. I am Kathi Yergin, the new 2nd Vice President. I am hoping that I am able to do a job as well as Marie did for the coming year.

My goal is to offer our 2019 vendors the same site(s) as last year as long as your application is returned by May 1, 2020. We enjoy working with each of you and are always appreciative when you return.

There are a few changes this year. A non-refundable deposit of \$125.00 is due by May 1, 2020. Each vendor will only be given one vehicle sticker for their vehicle and only two (2) week passes. Other passes can be purchased on the contract or in the office the week of the fair. We are trying to keep our prices down and making small changes will help in that endeavor.

Also, due to the rise in electricity prices we will be including an additional fee of \$25 for those who need electricity for the week. This will help us keep vendor fees the same price as over the years.

Also, we are asking all vendors with golf carts not to ride in and out of the gates or on the midway after 10:00am. We appreciate your help.

I have enclosed a vendor application, terms and conditions (*please initial this page*) vendor contract and camping application. There is information on all four pages that I need to be part of the contract, so please return them all.

If you should have any further questions, please do not hesitate to call me at 207-577-8896. Looking forward to seeing you all at the fair.

Sincerely,
Kathi Yergin
2nd VP Topsham Fair
