## CLASS 18 • BAKING & COOKING CONTEST

### Judging Guidelines

All pies must contain only the fruit of the contest (ie: apple, blueberry). Pies made from a combination of fruits will be disqualified from judging (such pies will be disqualified at the state level.) The recipes must be cooked as submitted. Judges will eliminate from consideration any pie which obviously is not done as the written recipe states (example: a pie which contains raisins, but no raisins are listed in the written recipe.)

Judging will be done in three basic categories. They are:

**Appearance:** Judges are looking for overall eye appeal, uniformity of shape, color and appearance of the crust.

**Taste:** The crust and filling are to be judged separately. In evaluating the crust judges will consider flavor, texture, and color.

**Preparation:** This is to be determined from the written recipe which will accompany each entry from the beginning to completion. Judges will consider ease of preparing the recipe

and how clearly the recipe ingredients and instructions are written.

### Scoring Guidelines

Judges must use the score sheet as supplied. The categories are:

- Overall Appearance 30 points
  - Crust (flavor, texture, color) 30 points
  - Filling (flavor, consistency) 30 points
  - Ease of preparation/clarity of recipe 10 points
- Judges shall total the points for each entry. The contest coordinator will compile the judges scores on a summary sheet. The positions will be determined by the total number of points given by all the judges. In the event two or more contestants have identical point totals, the judges shall determine the order of finish by mutual agreement. All decisions shall be final.

Each judge shall sign a score sheet and completed sheets will be sent to the Maine Department of Agriculture coordinator.

**All score sheets shall remain confidential.**

**All entries must be made from scratch. No Mixes.**

**First Place Winner of the Apple Pie Contest** may go on to the State Pie Contest at the Agricultural Trade Show held in Augusta in January the following year.

## Lemon Squares

### INGREDIENTS

#### (Crust)

- 1 cup (120g) King Arthur Unbleached All-Purpose Flour
- 1/4 teaspoon salt
- 1/4 cup (28g) confectioners' sugar
- 8 tablespoons (113g) unsalted butter, at room temperature

#### (Topping)

- 4 large eggs
- 1 large egg yolk
- 3 tablespoons (21g) confectioners' sugar
- 1/4 cup (30g) King Arthur Unbleached All-Purpose Flour
- 1/8 teaspoon salt
- 2/3 cup (152g) lemon juice
- King Arthur Snow White Non-Melting Sugar or confectioners' sugar, for topping

## INSTRUCTIONS

*Preheat the oven to 350°F.*

*To make the crust: Whisk together the flour, salt, and confectioners' sugar. Work in the butter until it's evenly distributed; the mixture will be crumbly. Press the crust firmly into a parchment lined 8" square pan. If the mixture begins to stick to your hands, chill in the freezer for 5 to 10 minutes, then continue to press into the pan. It's important that the crust is firmly anchored to the pan so no filling seeps underneath.*

*Bake the crust for 30 to 35 minutes, or until it's golden brown. Remove it from the oven, and reduce the oven temperature to 325°F.*

*While the crust is baking, make the topping: Combine the whole eggs, egg yolk, and sugars and whisk until smooth. Add the flour and salt, then the lemon juice, and whisk until thoroughly combined.*

*Let the filling sit for 15 minutes or so, until the bubbles (mostly) disappear.*

*While the baked crust is still hot, pour the topping over it. Return the bars to the oven and bake until they appear set and relatively dry on top, about 30 minutes.*

*Remove the bars from the oven, and cool them on a rack. Let them cool completely before slicing. Just before serving, sprinkle the top of the bars with confectioners' sugar.*

*Store any leftovers in the refrigerator for up to several (3 to 4) days.*

## Tips from our Bakers

For an extra hit of lemon flavor, stir the finely grated rind of 1 lemon into the crust dough before baking.

Worried about your bars sticking in the pan? Parchment paper to the rescue! See our blog post, Baking with a parchment paper sling.
